Endless wonders for all

LOOKING for a getaway that mixes culture, adventure, and family fun? South Korea could be your perfect destination. From snow-capped ski resorts to vibrant city streets, tranquil islands to dazzling theme parks, it offers something for every age. With Parlo Tours, you can discover it all.

Step back in time at Gyeongbokgung Palace.

The Winter Ski Fun package promises frosty fun and snowy adventures for the whole family.

Best of Korea package

The Best of Korea package weaves in a mix of scenery, history, and modern comforts. Spend three nights on the breathtaking island of Jeju, where volcanic landscapes and coastal views inspire awe. Watch dawn break at the Unesco-listed Seongsan Sunrise Peak, wander through the charming Udo Island and stroll among the blossoms of Camelia Hill.

In Seoul, unwind for two nights at the five-star Yongsan Novotel Hotel, before stepping into Korea's royal past at Gyeongbokgung Palace to enjoy the lively Nanta show – a high-energy performance blending comedy, rhythm, and drama.

You will also get to visit Aegibong Peace Ecological Park – a site that reflects both South Korea's history and its hopes for the future.

Busan, Jeju, Seoul package

The Busan, Jeju, Seoul package is a kaleidoscope of art, culture, food, and fun – all wrapped into one unforgettable trip.

Begin in Busan, exploring the vibrant Gamcheon Culture Village, with its colourful murals, cosy cafes and quirky shops.

Then hop aboard the KTX high-speed train – an exhilarating ride that whisks you from Busan to Seoul in record time.

On Jeju, marvel at the magnificent Seongsan Sunrise Peak. Immerse yourself in culture by donning a hanbok, pedalling along scenic rail-bike tracks, and relaxing in a traditional jjimjilbang bathhouse.

Families will also love the spectacular Taekwondo performance, a fusion of tradition and modern artistry. Food takes centre stage on this journey, inviting you to savour everything from beloved Korean classics to Michelin-recommended ginseng chicken soup.

Winter Ski Fun package

For those dreaming of snowy adventures, the Winter Ski Fun package is pure delight. Families can hit the slopes with included ski equipment and suits, making it easy for beginners to learn and enthusiasts to play.

The fun continues at Everland – South Korea's largest theme park, where thrilling rides and themed zones sit against a backdrop of scenic landscapes. As evening falls, stroll through the illuminated Ansan Starlight Village, a glowing wonderland.

Discover quieter moments at Begonia Bird Park, where flowers, birds, and gardens create a serene escape.

Beyond sightseeing, enjoy hands-on activities that bring Korean culture to life – from DIY gochujang making and bibimbap crafting to pancake flipping and fruit picking.

The perfect family destination

South Korea is more than just a place to visit; it's a land of contrasts where every day holds something new. Whether it's the thrill of skiing, the calm of palaces, or the sparkle of city lights, South Korea blends adventure with warmth, making it ideal for families of all ages.

MATTA FAIR® SEPTEMBER 2025

Powered by MATTA

In a world that moves faster than ever, travel remains one of life's important treasures. It instils the peace of the moment, invites us to reflect on the beauty that surrounds us, and above all, the joy and happiness found in shared connections and friendships amongst the people that we meet when we travel. When we gather together, we grow. MATTA Fair is the perfect platform for growth; it's an opportunity to connect and build bridges through a common purpose. Each visitor holds a story, a perspective, and energy that will shape experiences and memories for us all as we embark on our journey in our travels now and into the future.

We are pleased to present this 57th edition MATTA Fair 5 -7 September 2025. Larger than before, we bring together 2,049 booths from 334 participating companies. I am proud to announce that this MATTA Fair is spread across three levels at MITEC, covering an impressive 40,820 sq ft of space. This time around, we are opening Hall 5 at Level 2, featuring exciting campaigns and activities for visitors. This new and improved approach allows visitors to experience the magic of MATTA Fair September 2025.

Adding to the excitement, MATTA continues to vigorously advocate sustainability through the MATTA Eco & Sustainable Tourism Initiative (MESTI) at this MATTA Fair. Fondly known as MATTA MESTI, this initiative is our commitment to a cleaner, kinder, greener, and more conscious and responsible way of exploring the world. Built on three core pillars, wildlife conservation, marine conservation and cultural and historic preservation, MESTI empowers the industry and travellers alike to protect what makes "Malaysia Truly Asia" now and into the future.

Throughout the Fair, we shift our efforts to promote sustainable travel practices among our members and visitors, while preserving the beauty of our Malaysian culture and its mixed heritage, traditions and practices.

I am proud to introduce Sabah as Malaysia's Favourite Destination for this MATTA Fair September 2025. Sabah has excelled in safeguarding its heritage and historical sites that reflect its rich history. To celebrate this recognition, Sabah will present an inspiring lineup of cultural showcases and immersive displays and exhibits throughout the Fair.

We sincerely thank RHB Bank, our Exclusive Platinum Sponsor, for their strong support in ensuring the smooth running and success of this Fair. We also appreciate Malaysia Aviation Group (MAG), our Official Airline Partner & Premier Sponsor for their continuous support, Amleisure, our Media Partner, together with our other sponsors and partners for their strong partnership. MATTA is proud to work with these esteemed partners and sponsors, and looks forward to growing Malaysia's travel and tourism industry together in the years ahead.

This MATTA Fair is, above all, a home for our members and a meeting place to grow their businesses. It is a place where lasting connections are built and strengthened. As the travel and tourism industry continues to evolve, MATTA is devoted in creating new pathways that will empower us to grow together. Let us strengthen our bonds, expand possibilities, and showcase the best of Malaysia, and the world, to visitors at the MATTA Fair.
I warmly welcome all of our members, partners, and visitors. May this MATTA Fair open the doors to joyful adventures and journeys that will inspire us all.

Inspiring journeys await

AS the year comes to a close, the best gift you can give yourself is the gift of time — time to reconnect with loved ones, time to see the world, and time to create moments that last forever.

This September at MATTA Fair, Parlo Tours invites you to embrace unforgettable travel experiences designed to inspire, delight and reward.

From cultural treasures in Europe to natural wonders in Alaska, enchanting landscapes in Morocco to the serene beauty of Japan, its curated journeys offer more than just sightseeing – they create lasting memories waiting to unfold.

There are various popular journeys, handpicked by travellers that promise such enriching experiences.

Vibrant autumn foliage frames the crystal-clear turquoise waters of the Five Flower Lake in Jiuzhaigou National Park, China.

Cultural odyssey

In Spain and Portugal, history, passion and artistry come alive at every turn.

Walk through the legendary Alhambra Palace in Granada, a Moorish fortress complex that tells stories of monarchs and empires.

Discover Finca El Castanar and witness a traditional mini bullfight, a cultural event rooted in local traditions.

And when night falls, immerse yourself in the fiery rhythms of an authentic flamenco performance that embodies the spirit of Andalucia.

From Lisbon's charming alleys to Porto's vineyards, this journey through Iberia is a feast for the senses.

Nature's wonders

Alaska offers one of nature's most magical encounters: the Northern Lights.

Trek across the majestic Matanuska Glacier with expert guides leading you through shimmering blue ice.

Spend two nights dedicated to Aurora hunting in remote lodges, where the skies often come alive with dazzling curtains of light.

Feel the rush of mushing your husky sled through snow-covered trails then venture north to cross the Yukon River on the Arctic Circle expedition.

This is not simply a holiday; it is a dream brought to life.

Witness the Aurora Borealis or Northern Lights, as they light up Alaska's skies.

A traveller wanders with awe through the iconic, blue-washed streets of Chefchaouen in Morocco.

Enchanting Morocco

Morocco is a land of contrasts where deserts, mountains and ancient medinas create a kaleidoscope of experiences.

Take a thrilling 4x4 jeep ride into the vast Sahara Desert, where the sunset paints the dunes in gold before you settle under a sky filled with stars.

Wander through the breathtaking blue alleys of Chefchaouen, one of the world's most photogenic cities and lose yourself in the ancient maze of Fes el Bali, the largest car-free urban area in the world. From spice markets to handwoven carpets, Morocco offers a journey that stimulates every sense.

Timeless tranquillity

Kyushu, Japan's hidden gem, offers tranquillity wrapped in natural beauty.

Discover the Genkai Underwater Observation Tower, the only undersea viewpoint in the Sea of Japan and marvel at the mysteries of marine life.

Ascend Mount Inasa for a night view ranked among the top three most spectacular in the country, where Nagasaki sparkles like a sea of stars.

For relaxation, dip your feet into the longest hot-spring footbath at Obama Onsen while gazing at the ocean.

From nature to quiet escapes, Kyushu truly embodies a perfect blend of serenity, culture and discovery.

Boundless discoveries

With Parlo Tours' English-speaking guides, exploring China becomes seamless and enriching.

In Jiuzhaigou, stay at a five-star hotel and explore the magical Shuanglonghai Waterfalls, the World Heritage Huanglong Scenic Area and the sacred Mount Emei Golden Summit.

In Xi'an and Luoyang, witness the eighth wonder of the world, the Terracotta Warriors, stand before the roaring Hukou Waterfalls on the Yellow River and venture into the breathtaking Yunqiu Ice Caves.

Explore the twin cities of Chengdu and Chongqing, see the adorable pandas at the Giant Panda Breeding Centre, wander the glittering riverside Hongya Cave and experience the remarkable Liziba Station where a monorail passes through residential buildings.

Explore scenic wonders such as Fairy Mountain National Forest Park and the Three Natural Bridges and complete your journey by savouring authentic delicacies from Chengdu and Chongqing, including Sanye chicken, spicy hot pot and Quanjude roast duck.

These tours provide not only cultural depth but also a seamless and comfortable way to explore China's wonders.

Uncover Europe's hidden gems

Soak up the magic of the season as you wander through Europe's most enchanting Christmas markets.

Explore the heart of Colmar with its colourful half-timbered houses, canal-lined lanes and flower-filled squares in the Alsace region of France.

Journey through Transylvania's medieval towns, legendary castles and dramatic landscapes.

Take in the sights of Morocco's famed Blue City – Chefchaouen with its maze-like streets and colourful souk.

Experience the timeless charm of Spain through the seasons.

EUROPE'S iconic attractions have long captivated travellers worldwide, and for Malaysian travellers, they remain must-see highlights on the holiday map.

From the Eiffel Tower to the Colosseum, many have already ticked off the continent's headliners.

But with the surge in Europe's popularity, there's a growing desire to travel differently; to go deeper, linger longer and uncover stories that lie just beyond the spotlight.

Answering that call, Trafalgar has unveiled a fresh collection of journeys that shine a spotlight on hidden gems and offer richer, more immersive travel experiences – including their newly launched river cruise holidays.

From its Make Travel Matter experiences that give back to the planet and local communities, to its handpicked Be My Guest encounters where every local connection is unforgettable, Trafalgar offers a Europe that's not just seen, but truly felt.

Best of Romania, Transylvania and Hungary

This nine-day journey offers a cinematic sweep of Gothic castles and Unesco citadels that are deeply rooted in folklore.

In Sighisoara, a beautifully preserved medieval town, guests stroll through its cobbled streets and enjoy Trafalgar's exclusive Be My Guest dinner in a traditional Saxon home.

Guests will also follow in the footsteps of Vlad the Impaler, long tied to the legend of Count Dracula, as they journey through these dramatic landscapes.

Villages of France

This nine-day journey takes you through the scenic regions of Burgundy, Alsace and Champagne. Immerse in French culture visiting charming villages, bustling markets and picturesque vineyards.

Stroll historic Strasbourg and visit the Notre-Dame Cathedral. Tantalise your taste buds with France's culinary delights including mustard tasting in Dijon.

Set sail for a fresh perspective of Europe with Trafalgar's river cruise holidays.

Spain, Morocco and Portugal

This vibrant 12-day trip blends Moorish architecture, Andalusian warmth and Portuguese charm. Think white-washed villages, spice-filled souks and golden coastlines, plus curated moments that highlight the magic of this Mediterranean triangle.

New way to explore Europe with Trafalgar

Across Europe, the allure of river travel continues to grow and for travellers seeking a gentler pace, Trafalgar's River Cruise experiences offer an irresistible new way to travel.

Onboard, guests float through landscapes that have inspired poets and painters. Sail past vineyards, spired towns, and ancient cities, all while enjoying the comforts of boutique-style accommodation and the warmth of hosted travel.

Trafalgar's river cruises offer a seamless blend of onboard comfort and immersive on-land experiences.

Guests enjoy buffet breakfasts and lunches, à la carte dinners, and included drinks with meals, all served by a dedicated crew and the river cruise's Experience director.

Each journey features guided tours with local specialists, Trafalgar's signature Be My Guest and Sails with Stories moments, and at least one Make Travel Matter experience focused on sustainability.

Best of the Rhine and Amsterdam River Cruise

Sail through the heart of Europe where every bend reveals an enchanting story. From Amsterdam's iconic canals to the Gothic grandeur of Cologne Cathedral, guests journey through a tapestry of cultures and landscapes.

Cruise past steep Riesling vineyards and medieval castles in the romantic Middle Rhine, stroll through Strasbourg's timber-framed old town, and toast the journey with regional wines aboard the Trafalgar Verity.

With guided tours, Be My Guest experiences, and Make Travel Matter moments, this cruise brings the storybook Rhine to life from the Netherlands to Switzerland.

Best of the Danube River Cruise

The Danube flows through centuries of imperial splendour and local tradition. Starting in Budapest, guests explore the city before sailing to Bratislava's medieval Old Town, Vienna's palaces and Linz's riverside charm.

Highlights include Heroes' Square, Fisherman's Bastion and a taste of Vienna's famous Sachertorte.

Onboard Trafalgar Reverie, evenings are filled with storytelling, regional cuisine and ever-changing views.

With immersive excursions, this cruise offers a rich, multi-country experience across Hungary, Slovakia, Austria and Germany.

Where diversity meets discovery

In the Land of Hornbills, adventure awaits in nature at its most pristine. Discover tranquil landscapes untouched by time and explore the wondrous depths of Sarawak's magnificent caves.

MORE and more visitors are discovering Sarawak – a destination where diversity is lived every day through vibrant cultures, ancient rainforests and timeless flavours.

Every journey here feels enriching and welcoming, with the warmth of Bornean hospitality complemented by ongoing efforts to make Sarawak accessible and inclusive to a wider range of travellers.

At the heart of Sarawak lies cultural harmony, shaped by 34 ethnic communities. From Iban longhouses along winding rivers to the Orang Ulu's intricate beadwork, each story reflects centuries of coexistence and resilience.

Through curated cultural tours and packages, travellers are invited to experience this heritage in meaningful ways, guided by hosts who bring personal stories and traditions to life.

Kuching's Borneo Cultures Museum, the largest in Malaysia, presents heritage through a modern lens, while the Sarawak Cultural Village offers immersive encounters that allow visitors to see, hear and feel traditions up close.

Whether exploring world-class museum exhibitions or engaging in hands-on showcases at the village, culture in Sarawak is not staged, it is lived, shared and continually evolving.

From culture, the journey naturally flows into adventure. Sarawak's landscapes offer everything from gentle river cruises to exhilarating jungle treks.

Inclusive packages are being developed to meet the needs of different travellers, from diverse dining options built into itineraries to guidance from specially trained tour leaders.

Whether trekking through Bako National Park or exploring the Unesco-listed caves of Mulu and Niah, every adventure here is authentic, memorable and reassuring.

Adventure in the Land of Hornbills often leads to encounters with nature at its most pristine.

The rainforests of Mulu inspire awe with their towering limestone pinnacles, while boat rides through Kuching Wetlands at dusk reveal fireflies glowing like lanterns along mangrove banks.

Sarawak's rainforests are teeming with life, offering glimpses of the island-native proboscis monkey.

Conservation in Sarawak is a responsibility carried with pride, exemplified by efforts to rehabilitate orangutans at the Semenggoh Wildlife Centre.

> "For travellers seeking journeys that are meaningful and memorable, Sarawak is more than a destination. It serves as a reminder that the world is at its most beautiful when it celebrates both diversity and unity."

The Sarawak Delta Geopark, recognised as an aspiring Unesco Global Geopark, links geological wonders with cultural narratives, showcasing the deep relationship between people and nature.

Conservation here is a responsibility carried with pride, from orangutan rehabilitation at Semenggoh to turtle protection at Talang-Satang, Sarawak's stewardship ensures that biodiversity thrives for generations to come.

If culture is the soul of Sarawak, then food is its heartbeat – and nature its pantry.

Declared an Unesco Creative City of Gastronomy, Kuching is a feast of flavours where tradition and innovation meet.

Signature dishes, such as Sarawak laksa, mee kolok and ayam pansuh (bamboo chicken), continue to tell stories of heritage, while contemporary dining venues reimagine these recipes for new audiences.

Increasingly, such experiences are offered through inclusive travel packages that cater to diverse preferences – from families and young explorers to seasoned travellers and niche markets – ensuring everyone can savour Sarawak with confidence.

Beyond urban centres, community-based dining experiences transform meals into encounters of generosity and storytelling.

In longhouses and village kitchens, guests are welcomed as family, sharing food prepared from homegrown ingredients and age-old recipes.

Here, gastronomy becomes more than sustenance – it is an invitation to understand culture through taste, and to see hospitality as a way of life.

From food, the rhythm continues into Sarawak's many festivals. These celebrations embody unity and a global outlook.

The Rainforest World Music Festival (RWMF), held annually at Sarawak Cultural Village, brings together international musicians and audiences in a celebration of rhythm and diversity, supported by facilities and food options that make it accessible to all.

Local celebrations, from Hari Raya and Gawai Dayak open houses to the Kuching Waterfront Festival and Sibu's Borneo Cultural Festival, extend a warm invitation to share in generosity, harmony and joy.

These gatherings are more than events – they are reflections of Sarawak's living identity.

In this spirit of inclusivity, Sarawak also recognises emerging global opportunities.

The Muslim-friendly travel market is one of the fastest-growing segments, projected to exceed 230 million travellers by 2028.

For Sarawak, this represents one of many opportunities to grow inclusively, ensuring that new travel packages, diverse dining and thoughtfully designed experiences meet the expectations of today's global travellers.

These efforts are woven into the state's five signature pillars – Culture, Adventure, Nature, Food and Festivals – ensuring inclusivity grows hand in hand with authenticity.

Looking ahead, initiatives such as the Kuching Umrah Gateway reflect Sarawak's openness to new ideas that connect different types of journeys.

It signals a forward-looking approach to create opportunities that blend travel, culture and inclusivity in ways that resonate with future visitors.

Sarawak's vision is clear: to grow as a destination where every traveller finds a sense of belonging.

Inclusivity is not about catering to one group alone, but about creating an environment where cultural immersion, eco-tourism, gastronomy and global connectivity all flourish together.

Hospitality in Sarawak is more than an industry – it is a value rooted in community.

Every encounter, from a smile in a bustling market to a shared meal in a remote village, reflects Sarawak's spirit of connection and care.

For travellers seeking journeys that are meaningful and memorable, Sarawak is more than a destination. It serves as a reminder that the world is most beautiful when it celebrates both diversity and unity.
