

## What is Dana Impak?

An initiative by Khazanah Nasional

**RM6b** commitment for new strategic initiatives to:

- **Increase Malaysia's economic competitiveness**
- **Build national resilience**
- **Deliver socioeconomic benefits to the rakyat**

Dana Impak seeks to deliver socioeconomic impact across six themes ...

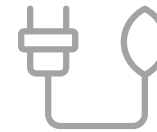

Digital Society & Technology Hub

Quality Health & Education for all

Decent Work & Social Mobility

Food & Energy Security

Building Climate Resilience

Competing in Global Markets

... focusing on four key problem statements/ initiatives

### **Future Malaysia Programme**

*Boost Malaysia's start-up ecosystem*

### **MSME Digitalisation**

*Financial inclusion and digitalisation for the underserved, especially MSMEs*

### **Food Security**

*Enhance food security by stemming issues like low productivity*

### **Future Malaysia Skills**

*Enhance Malaysia's talent base for the future of work*
