

# Family Strife

## 1 July 2022:

A wheelchair-bound woman is said to have witnessed her younger son murdering her other son and daughter-in-law in cold blood in Ipoh. An altercation is believed to have occurred between the two brothers prior to that. Police said the suspect reportedly had a record of causing grievous hurt to others.

## 2 June 2022:

A fight over inheritance allegedly drove a man to kill his 68-year-old mother before cutting her up into 15 pieces and disposing of the parts in a sewage tank behind their house in Parit Buntar, Perak. The 42-year-old man, who suffers from a mental disorder, was arrested over the killing. He has seen been charged with murder.

## 3 February 2022:

A 29-year-old suspected drug

addict was held after beating his stepfather in Alor Setar, allegedly over the latter's refusal to give him money to buy drugs. Police said the man held a disabilities card for his mental illness.

## 4 October 2021:

A woman aged 73 broke her wrist after being struck with a stick by her son in Pelangi Damansara, Petaling Jaya. Investigation revealed that the man often acted violently against his mother and asked for money to buy drugs.

## 5 September 2020:

A man, 37, was reported to be on the run after he beat up his parents and sister with a stick in Seberang Perai, Penang. The suspect, believed to be under the influence of drugs, allegedly turned violent after being scolded by his father for making noise.
