Outstanding service
Uniworld boasts a fleet of 17, one-of-a-kind ships that sail the rivers of Europe, Egypt and Asia. Not only does Uniworld have the best staff-to-guest ratio of 1:2.4 in river cruising, but their teams also boast the longest tenures in the industry.

Exceeding expectations
Their driving philosophy, "no detail too small, no request too large" inspires them to exceed guest expectations. Every aspect of a Uniworld river cruise is carefully crafted with this goal in mind. Everything you could ever need is included – free-flowing premium

Gamuda Land's new waterpark, SplashMania, comprises 39 award-winning water slides and attractions.

Enjoy a splashing good time

THERE'S a new waterpark in Malaysia and it promises visitors a splashing good time.

Home to 39 slides and attractions, and complete with F&B and retail outlets, SplashMania, Gamuda Cove opened to a sold-out crowd during its soft launch earlier this month.

Among the attractions offered, SplashMania features some of Malaysia's first-of-its-kind water slides and an iconic pirate ship, Amazonia, that towers over the 18-acre landscape.

If you're a thrill seeker, one of the must-try slides is the Shaka Waka, a 78m-long multimedia and audio water slide with immersive light and sound effects. Another fun slide is the Maniac Racers, where you get to race with friends down four unique flumes.

You can also find some extreme slides here if you want to experience an adrenaline rush like no other. From within the Amazonia ship, you'll find the Plunge and Sumaumeira Drop; both freefall slides that will make your heart skip a beat. Kids will also have a blast here with the impressive array of kid-friendly slides that SplashMania has to offer: Treasure Tower, Mini Mania and more. Fun fact: Treasure Tower is the tallest waterplay structure in Malaysia and boasts several unique slides.

Besides the water slides, you can also head over to the Omba'King Cove "beach", where you can swim, relax on floats, or simply

enjoy the waves while watching live performances from the Amazonia stage.

Feeling hungry? SplashMania offers a variety of local and Western bites at their cafe and kiosks. Themed resting shacks and private rental cabanas along the wave pool are also available for groups to chill out with their loved ones.

SplashMania waterpark is located at Bandar Gamuda Cove in Kuala Langat, Selangor, a 40-minute drive from KL Sentral. SplashMania opens from 10am to 6pm daily (closed on Tuesdays except for Malaysian public and school holidays).

Enjoy an exclusive deal when you get your tickets from the GL Play booth at the upcoming Malaysian Association of Tour and Travel Agents (MATTA) Fair (Buy 1 SplashMania, Get 1 Free Discovery Park) happening from March 17-19 at Malaysia International Trade and Exhibition Centre (MITEC). With every SplashMania ticket purchase, you're entitled to experience:

> Goosebumps Rope Course – A multi-level rope course certified by the *Malaysia Book of Records* for Most Elements in a Rope Course.

> Cove Aerobar – A revolving skyride which offers a breathtaking view at 35 metres high.

■ Early bird tickets are currently available online on gplay.com.my at RM79 for adults and RM63 for kids.

Fulfil your travel dreams

This MATTA Fair, Apple Vacations is bringing you the latest and greatest travel experiences.

The '10D7N Stunning Switzerland' is the best-selling Western tour package in 2022/2023, and it is highly recommended by the Swiss Tourism Board too.

THE annual travel event, MATTA Fair, is back. As usual, Apple Vacations is bringing you the latest and greatest travel experiences at the Malaysia International Trade & Exhibition Centre (MITEC), which will host a total of 60 booths (with UbinGo, a sub-brand of Apple Vacations) this year.

Year after year, Apple's charter direct flights have built up a good reputation, allowing travellers to fulfil their travel dreams with less time, less money and no connecting flights.

This year, Apple Vacations introduces two charter direct flight tours to choose from so that your travel dreams can be as mysterious or as romantic as you wish.

The newly introduced "7D5N Apple Charter Direct Flight to Tohoku" (with four departure dates: Dec 11, 16, 21 and 26, 2023) reveals a mysterious part of Japan to be explored by travellers, with its unique history, culture, natural landscapes, food festivals and more.

One of the highlights of this itinerary is to travel with you to Zao in search of the army of snow monsters that fill the mountains.

Rest assured that they are not scary but a work of art of nature, a mysterious spectacle formed by the leaves and branches of trees after being covered by heavy snow and ice. It's absolutely breath-taking.

Also, the classical "7D5N Apple Charter Direct Flight To White Hokkaido" has come to its 12th year (with five departure dates: Dec 5, 10, 15, 20 and 25, 2023) and is still very popular, with an overwhelming enquiry rate.

Whether it's the enchanting powder snow, shopping at your leisure, or Apple Vacations' exclusive seafood feast and various kinds of food and fun, you'll be mesmerised by the charm of Apple's chartered direct flight to Hokkaido when you come aboard.

Meanwhile, the specially recommended Japan itineraries for you include Focus Japan Tour which goes to both Universal Studios Japan and Tokyo Disneyland, Focus Japan + Gourmet tour which provides a ninja costume experience and a seafood dinner prepared by the sea-maids called AMA, "Central Japan" which highlights

the snow wall and Gassho Village in Tateyama Kurobe, etc. Choose your favourite place, and Apple-nians are ready to travel to Japan with you.

Apple Vacations offer a series of Korean packages from spring to winter, and there is undoubtedly one that will deeply rouse your wanderlust spirit. In addition, Apple-nian will also visit local world heritage sites with you, experience wellness programmes, ride on the KTX high-speed train, and taste authentic cuisine. It's worth mentioning that Apple Vacations' Sparkling Korea package was awarded the "Korea Premium Selection" by the Korea Tourism Board, so don't miss it!

Asia's exotic series includes the "Amazing Northern Xinjiang", "Splendid Silk Road", "Plateau of Tibet", and so on. China's most beautiful mountain series will travel with you to Huangshan, Tianmen Mountain, Yulong Snow Mountain, Wuyi Mountain and Huashan Mountain among others.

In addition, if you want to go trekking in Nepal, or travel to Taiwan, Vietnam, Hong Kong, Thailand, Cambodia and the Philippines, Apple Vacations also offers a variety of quality packages for you to choose from.

Apple Vacations' classic and emerging packages to Europe

and Western countries are also well received.

These remote and wild environments are home to some of the most awe-inspiring landscapes on Earth, as well as a wealth of wildlife that can't be found anywhere else. And there's no better way to explore these regions than on a Ponant cruise with Sedunia Luxury, Ponant's preferred partner in Malaysia.

Experience the charm of Taiwan

Touring Fuli Sea of Flowers by train in Hualien, Taiwan.

THE Malaysian Association of Tour and Travel Agents (MATTA) Fair in Kuala Lumpur will make its grand debut from March 17-19 at the Malaysia International Trade and Exhibition Centre (MITEC).

Taiwan has been designated as the only "Asia Featured Destination" by MATTA, and the Taiwan Tourism Bureau will team up with its Tourism Ambassador, a Muslim celebrity, Ayda Jebat, to promote Taiwan's beautiful scenery, delicious cuisine, and friendly people to the Malaysian public.

Globe Traveler, a US-based travel magazine, honoured Taiwan with the "Best Leisure Travel Destination in Asia" for the fifth time at the 2022 Leisure Lifestyle Awards. *Booking.com*, a popular travel accommodation platform, announced the world's top travel destinations for 2022, and Taiwan made it to the list.

Chou Shih Pi, Taiwan Tourism Bureau director, said, "Although Taiwan only opened its borders in October 2022, the total number of Malaysian visitors to Taiwan in 2022 had reached 60,742 people, making Malaysia the most significant source of visitors to Taiwan in South-East Asia."

"In order to attract more Malaysian tourists to Taiwan, the Taiwan Tourism Promotion Delegation consisting 34 units and 64 members from various tourism-related industries, including county and city authorities, public associations, travel agencies, hotel industry, theme parks, and souvenir shops, has come to promote Taiwan's latest tourism resources."

After the pandemic, the Taiwan Tourism Bureau, in collaboration with the trend of low-carbon travel, encouraged Malaysian tourists to experience the charm of Taiwan's railway tourism. Besides the high-speed rail from Taipei to Kaohsiung, Taiwan Railways has further launched sightseeing trains such as Future Express, Future Express Kitchen, and Breezy Blue. Furthermore, there are diverse-themed tourist branch lines such as the Pingxi Line, Neiwan Line, Jiji Line, and the Alishan Line, which allow visitors to experience local life from different perspectives, making it ideal for Malaysian friends to explore the local areas in depth.

Moreover, there are many well-known large-scale festival activities to be recommended to Malaysians, including the "Taiwan International Balloon Festival" and the "Taiwan Cycling Festival", which are held from June to August and June to December every year respectively. The flower-viewing festivals that showcase Taiwan's floral beauty throughout the year are equally worth participating in.

As the Muslim tourism market continues to grow, Taiwan is

stepping up efforts to improve its environment for Muslim travellers.

According to the Mastercard Crescent Rating Global Muslim Travel Index (GMTI) 2022, Taiwan maintained its second-place position among non-OIC destinations, just after Singapore.

According to the GMTI, Taiwan is known for its exceptional performance in several areas, such as transportation, social security, and religious freedom.

Additionally, the country is praised for its welcoming and respectful treatment of Muslim tourism resources. As a result, Taiwan is recognised as the "Inclusive Destination of The Year (non-OIC)" at the "Halal in Travel Awards 2022".

To attract more Muslim travellers to experience the beauty of Taiwan, Taiwan has continuously been improving its Muslim-friendly reception environment during the pandemic.

Major transportation hubs and 13 national scenic areas have been equipped with facilities that cater to Muslim travellers' needs. Additionally, more than 342 restaurants and hotels have obtained halal certification.

A special halal zone will be set up at the Taiwan Pavilion, and 10 Muslim travel agencies will be invited to sell Taiwan's halal travel packages within this zone, with the aim to increase the Muslim travellers' confidence in Taiwan's travel industry.

Furthermore, Ayda will make an appearance at the Taiwan Pavilion in the afternoon of March 18, to share interesting stories about her recent trip to Taiwan with her husband.

During the travel fair, the Taiwan Pavilion (Booth number: 2G01-2H16) will offer a variety of exciting activities and events, including: "Fun To Art" that combines traditional Taiwanese dance with modern elements to create a new form of artistic expression. Visitors can also experience a variety of DIY activities, such as making citrus essential oil cleaners and decorating cookie dough with the shape of Taiwan.

While having fun, they can also enjoy Taiwan-style fancy cotton candy in a variety of shapes and flavours.

The Taiwan Tourism Bureau cordially invites exhibition visitors to the Taiwan Pavilion to learn about the latest tourism products and experience the unique activities offered. Relaxing and idyllic getaway

IT'S the time of the year again to plan for a family holiday or a getaway with your friends.

The workload in the office doesn't give you much time off, but short trips within the country would be a nice break and you don't have to dig deep. So let's explore our own backyard.

Malaysia has many places to experience from adventure tourism, eco-tourism of caves, forests, flora and fauna, cultural landmarks as well as food and Holiday Villa Hotels & Resorts are there for you.

Holiday Villa Kota Bharu

Holiday Villa Kota Bharu in Kelantan is located opposite the bustling Wakaf Che Yeh, famous for its night market. A four-star hotel, it offers comfortable and affordable accommodation. Facilities include a covered swimming pool and a restaurant that serves local Kelantanese dishes.

Very much underrated, Kelantan has many interesting places to

experience from waterfalls and natural caves, duty-free shopping at Rantau Panjang, Sri Suri floating market and many Kelantanese heritage sites.

Holiday Villa Cherating

For those who love the sun, sea, and sand, Holiday Villa Cherating is located within the sleepy town of Cherating in the east coast, which offers a quiet and calm environment.

Located on the beachfront, this four-star resort features two swimming pools and a children's water park.

Pool villas are available at LaVilla which is located next to Holiday Villa Cherating. It comprises a one bedroom villa or two bedroom villa with individual plunge pool. It's perfect for people who need privacy.

Around Cherating, the turtle sanctuary in Chendor provides a safe hatchery for various species of turtles. If you are lucky you may get to see these turtles come to

shore to lay their eggs. Cherating is also becoming popular among the surfing community.

Holiday Villa Langkawi

Langkawi island is a destination with lots of things to do. Holiday Villa Langkawi, situated along Pantai Tengah is a four-star resort on one of Langkawi's best beaches.

Ideal for young families as there is plenty of space for the children to run around, the rooms are sizable with a private balcony facing the pool or the garden.

Experience private dining by the beach, witness a stunning sunset

from the infinity pool, or just enjoy the sun and sea.

Langkawi also offers some interesting treats like a visit to the fruit orchard, canopy walk, zip lining and fishing trips.

CitiVilla Penang

Across from Langkawi island, Penang is a foodie's haven. From street food to trendy hip cafes to fine dining, you can never go hungry. CitiVilla Penang is conveniently located at Argyll Road, in the heart of George Town, within reach to cafes, restaurants, tourist attractions and shopping areas.

A cosy hotel with modest facilities, it is ideal for travellers looking for inexpensive accommodation.

At MATTA Fair this year, Holiday Villa Hotels & Resorts will be selling pre-paid room vouchers for their hotels with a stay period till Aug 31.

Receive a free gift when you purchase vouchers from Holiday Villa Hotels & Resorts. You will also stand a chance to enter a lucky draw to win a grand prize.
