CARS FOR RAYA

Comfortable and safe ride home

Take advantage of great Raya deals and celebrate this Aidilfitri in style.

Ready for Raya with Countless Rewards

RAYA is only a month away, and since Ramadan is coming, it's a great time to multiply rewards. That's why Toyota is taking the opportunity to offer Countless Rewards for their various models. Here are the various combinations of rewards that will make owning a Toyota now so much easier.

The new Vios and new Yaris are two sides of the same coin with their own unique characteristics. They both come with a cash rebate and free accessories worth RM5,500. There's more: sales tax savings worth RM2,216 for the Vios and RM2,192 for the Yaris.

With Toyota EZ Beli, a convenient payment plan that gives you low instalments for the first three years, the Vios goes for RM530 a month while it's RM493 a month for the Yaris.

The all-new Corolla Cross was recently launched in Malaysia's first 8D audio car launch. At RM998 a month, it is worth every ringgit, even more so with RM4,000 sales tax savings. Only a limited number of complete built-up units (CBUs) are available right now, so get them while you can.

If you've got a large family, or just like having a little more space, the Avanza would be your pick, at RM608 a month with RM3,039 sales tax savings. For a car so big, it has little features that make an impact, such as the roof-mounted monitor that provides entertainment for long journeys.

For a different style of family car, the Rush is a great choice. It's RM748 a month with sales tax savings worth RM5,115. It has Toyota Safety-T with safety features such as the pre-collision system, blind spot monitor and panoramic view monitor, so you feel assured on every drive.

Those who prioritise sophistication will be thrilled to know that the RAV4 gets sales tax savings worth RM8,215. Its impressive presence on the outside is paired with

convenience all over on the inside. The RAV4 just makes things easier.

In line with the name "Countless Rewards", Toyota is also offering Toyota Service Savers. This is a prepaid service package that allows you to pay for your car service in advance. Overall, it results in a

more affordable car service in the long term. It entails paying an additional RM59 a month for the Vios, Yaris and Corolla Cross while it's RM69 a month for the Avanza and Rush.

Whichever Toyota fits your needs, you would want to get your choice now; before you know it, the sales tax holiday will be

over. So, head to an authorised Toyota showroom or visit the Toyota Online Showroom to book a new Toyota now. Your stylish Raya ride awaits you.

NISSAN
INTELLIGENT
MOBILITY

EIGHTY years of pick-up heritage equates to a dominant machine that is not only more rugged, durable and reliable, but also versatile and packed with smarter features.

Edaran Tan Chong Motor (ETCM) is proud to introduce the Nissan Navara PRO-4X which is ever ready to crush the competition.

Dubbed the Mother Trucker in Malaysia, the Navara PRO-4X boasts best-in-class technologies that address all areas of safety, comfort and performance.

ETCM sales and marketing director Christopher Tan says, “The new Nissan Navara PRO-4X is where the best of both worlds intertwined – unbeatable strength and superior intelligence – catering adventurous Malaysians wanting the next level of design, technology and style.”

In terms of aesthetics, the Navara PRO-4X is one imposing beast. Owners will fall in love with the large front “interlock” grille, stylish fender flares, roof rails, side steps and 17-inch black wheels with all-terrain tyres – each trim tastefully casted in black to create a stylish contrast that will intimidate onlookers. The attractive all-new

Redefining the pick-up truck

Quad LED Projector Headlamps And C-Shaped Running Lights also ensure your path is always well lit.

Strap into the Zero-Gravity Inspired Leather Front Seat and get ready to be impressed by the luxurious interior trim which includes a full-colour 7-inch HD advanced drive-assist digital display meter, 3-spoke leather steering wheel and 8-inch Advanced Touchscreen Display Audio with Apple CarPlay and Android Auto capability. The noise isolation acoustic laminated glass for the front windscreen and front windows also means improved quietness inside the cabin.

Pick-up trucks are not generally known for comfort but the Navara PRO-4X is about to break that norm. Passengers will be pleased to see new rear seat cushions with thigh support and curved backrests. There is also a rear armrest with built-in cup holders and four USB ports.

However, it is in the areas of performance and safety is where the Navara PRO-4X truly excels. This 4X4 boasts an Intelligent Around View Monitor with Off-Road

Be impressed with a stunning interior that boasts leather seats with thigh support and curved backrests, USB ports as well as an eight-inch advanced touchscreen display with smartphone adaptability.

Mode to capture surrounding obstacles when travelling at low speed in four-wheel drive mode, allowing adventurous drivers to tackle the toughest terrains with confidence.

The YD25 in-line four-cylinder DOHC intercooler turbo-diesel engine churns out a maximum power of 190PS and 450Nm of torque, which is plenty to conquer evert road and obstacle in sight. A 7-speed auto transmission with manual mode, electronic locking rear differential system and a new rear multilink suspension with dual-rate coil springs are other performance features to help drivers reach their destination.

Pick-up truck owners demand a workhorse and the Navara PRO-4X does not fail. Besides a strengthened rear axle and increase truck bed volume, the truck comes with a new Utili-Track Channel system that features two channels and four heavy-duty forged aluminum cleats that lock anywhere along the channel and firmly secure loads

of any size. The Navara PRO-4X also boasts a massive payload of 1.1 tons (1100kg).

Lastly, the safety spec sheet of the Navara PRO-4X can be mistaken for that of the latest luxury cars. Intelligent Predictive Forward Collision Warning, Intelligent Forward Emergency Braking, Intelligent Driver Alertness, Lane Departure Warning, Rear Cross Traffic Alert, High Beam Assist, Blind Spot Warning, Intelligent Moving Object Detection and Trailer Sway Assist system are all standard safety features of this all-improved Navara.

What better pick-up truck to greet this Ramadan season? Head to your nearest Nissan showrooms next Friday to check out the brand-new Nissan Navara PRO-4X in all its glory and welcome Aidilfitri with this awesome machine.
