A time for reunion and celebration

Embrace the majestic Year of the Dragon with joy and optimism. Wishing you a healthy and prosperous year ahead!

All decked out in festive splendour

Get ready to be awed by the exciting line-up of festivities at Aman Central, this Chinese New Year.

THE Year of the Dragon symbolises power, nobleness, honour, luck and success in traditional Chinese culture, and there is no better place to ring in these auspicious attributes than at Aman Central in Alor Setar, Kedah.

Get ready to be awed by the exciting line-up of festivities featuring an abundance of exquisite rewards and offers, along with prosperity performances until Feb 25.

The mall is all decked out in festive splendour to greet shoppers. Walk through the arch of a secret garden full of butterflies, Maneki Neko (symbol of wealth) figurines, gold coins and yuan bao (gold ingot) to attract good fortune.

Shoppers can also stroll along cherry blossom trees to enjoy a floral experience of spring, which makes for the perfect Insta-worthy spots.

Taking centre stage is the masterpiece of a three-tiered stage complete with a majestic Chinese folding fan standing at 15ft tall and surrounded by 3D gigantic Maneki Neko sculptures, Maneki rice barrels, red lanterns, gold coins and ingots, and bespoke florals.

The combination is all about bestowing shoppers with wealth, good luck and abundant fortune throughout the year. Aman Central assistant general manager of marketing communications Ken Chin said the mall is in for another bold year with a roar of abundance and auspicious energy for all.

"Nonetheless, it is essential for us to keep growing as the IN & IT destination of Kedah as we welcome more brands such as Naelofar, The Parenthood, Audrey and MommyHana.

"Coming soon are also Bask Bear Coffee, Banana Bro, Step Health and Sembonia, to name a few. Together, we strive to contribute to the rise of the state's economy."

He adds that with the focus on sustaining the mall's relevancy, it is imperative to keep up with their breathtaking festive decorations to accord shoppers a new level of shopping experience.

Embodying the power and honour of the Dragon, Aman Central wishes all a roaring Gong Xi Fa Cai as we leap to success in 2024.

Enjoy a relaxing massage

The Gintell S7 Plus, 2nd Gen 8-Hands wellness chair is the latest addition to the Gintell Wellness Chair Series.

HAVING bid goodbye to 2023, Gintell is ushering in Chinese New Year with a brand-new Wellness Chair Series, the Gintell S7 Plus, 2nd Gen 8-Hands wellness chair.

Gintell S7 Plus is the first in the market to have the 178° L-Flex Track with 2nd Gen 8-D Twin Rollers, which is similar to having four massage therapists massaging the upper and lower back simultaneously that focuses on the shoulder, upper back, lower back, waist and buttocks.

The Gintell S7 Plus, 2nd Gen 8-Hands wellness chair the newest addition to the Gintell Wellness Chair Series. Improved with 2nd Gen 8-D Twin Rollers, these massage rollers are separated into two parts that allow users to choose their preferred massage techniques simultaneously to massage the upper and lower back.

It provides an overall deeper, more precise and more intelligent massage on the shoulder, upper back, lower back, waist and buttocks.

The Gintell S7 Plus's specialty is the 178° L-Flex Track. The letter "L" stands for Lumbar. It is the first dual massage track in Malaysia.

This means its unique flexibility allows the massage track to incline and recline at different angles, precisely adjusted for the upper and lower back, unlike other massage chairs that remain fixed at one angle.

This design allows the massage chair to recline at 178° angle and be adjusted to your body curves for an intense massage allowing the massage rollers to target the right nerves, especially on the lower back and waist, leaving users feeling refreshed.

Massaging the lower back and lumbar spine can help maintain good posture and reduce stress on the lower back.

The 230° Thai Massage is a full-body stretching programme in Gintell S7 Plus that is intensified by the 178° L-Flex Track and 2nd Gen 8-D Twin Rollers that reclines at an 230° angle, which helps stretch out your body from neck to foot and is fully endorsed, and consulted by Datuk Seri Master Chris Leong, a renowned tit-tar master (bone setting specialist). This programme is highly recommended as it improves joint flexibility and mobility.

The 360° Heat Spa Therapy is a warm compression of the airbags specifically placed on the back, waist, and feet. It also has a specially designed crossbody strap for heating the abdominal area.

Heat therapy works wonders in relieving overall muscle tension and specifically

“The Gintell S7 Plus, 2nd Gen 8-Hands wellness chair provides an overall deeper, more precise and more intelligent massage.”

targets the abdominal muscles, providing much-needed relief from muscle spasms or menstrual cramps.

There are three automated programmes under the Brain Relief Therapy section in the Gintell S7 Plus which are Total Relax, Mental Care and 230° Thai Massage. These programmes are designed to enhance sleep quality and alleviate mental stress.

This specialised programme effortlessly creates a calming ambiance by playing gentle and soothing background music throughout the massage, effectively soothing and relaxing the nerves.

Besides the usual AI Voice Control or touch screen controller, users can now seamlessly connect and control the massage chair via their smartphones through Bluetooth connectivity via the Gintell Super App OS application which can be downloaded from Google PlayStore and AppStore.

The Gintell S7 Plus, 2nd Gen 8-Hands Wellness Chair offers 20 automatic programmes, 11 unique massage techniques, adjustable massage speed and 4D intensity up to five levels, wireless charging port with USB connector, VI Memory programme and the relaxing Zen Light which enhances the user's mood and surrounding ambience.

Gintell's massage chair accompanies their consumer in embracing a brand-new healthy lifestyle. Purchase Gintell S7 Plus now and enjoy up to 60 months of interest-free instalment at RM316.47 per month only.

Don't miss Gintell's exclusive offer – buy one and get give freebies worth up to RM3,000. During this promotional period, customers can also enjoy a rebate of up to RM1,988.
